DISCOVERY REMAINING

26 1. The parties will continue participating in written discovery.

27 2. The Parties Will Conduct the following expert depositions.

1 a. David H. Paige, Esq. scheduled for October 3, 2024 at 10:00 am in Las
 2 Vegas, Nevada.

3 b. Scott Glogovac, Esq, Plaintiff expert not yet scheduled.

4 c. Steven Plitt Esq, State Farm expert not yet scheduled.

5 3. The parties will supplement their expert reports as necessary.

6 4. The parties reserve the right to depose any 30b6 witness as necessary and propound
 7 discovery based on any new facts.

8 5. Further, any appropriate discovery may also need to be conducted, including
 9 additional written discovery and/or depositions of percipient witnesses.

10 6. Any and all discovery required as permitted by the Federal Rules of Civil
 11 Procedure.

12 **WHY REMAINING DISCOVERY HAS NOT BEEN COMPLETED**

13 The parties aver, pursuant to Local Rule 26-3, that good cause exists for the following
 14 requested extension. This Request for an extension of time is not sought for any improper purpose
 15 or other purpose of delay. Rather, the parties seek this extension solely for the purpose of
 16 allowing sufficient time to conduct discovery.

17 The parties have been diligent in moving the case forward: participating in a reasonable
 18 amount of discovery, including exchanging their initial lists of witnesses and documents;
 19 propounding written discovery requests and preparing responses thereto; records procurement; and
 20 preparing for Plaintiff's deposition.

21 Additionally, the deposition of David H. Paige, Esq. is currently scheduled for October 3,
 22 2024 at 10:00 in Las Vegas.

23 The parties will prepare for and take the depositions of the respective experts, Scott
 24 Glogovac in Reno and Steven Plitt in Phoenix. These expert depositions have not yet been
 25 noticed, but are pending based on expert availability.

26 Due to the delays mentioned above, Counsels needs additional time to complete the above
 27 depositions of State Farm and Defendants' FRCP 30(b)(6) witness (if necessary), and experts.

28 Lastly, the current deadline for rebuttal expert disclosures is August 26, 2024.

1 Operationally, the various claims handling experts require time to review the deposition transcripts
 2 for their reports. The current discovery schedule does not allow for this to take place, or would
 3 require post deadline supplementation.

4 In an effort to accommodate all counsel and parties, all parties have agreed to extend the
 5 deadlines another one hundred and sixteen days (116) days so that the required discovery can be
 6 conducted in the proper sequence and consistent with the availability of multiple counsel in the
 7 case. Extension or Modification of The Discovery Plan and Scheduling Order. LR 26-3 governs
 8 modifications or extension of the Discovery Plan and Scheduling Order. Any stipulation or
 9 motion to extend or modify that Discovery Plan and Scheduling Order must be made no later than
 10 twenty one (21) days before the expiration of the subject deadline and must comply fully with LR
 11 26-3. This stipulation is made more than 21 days before the expiration of any deadlines.

12 This is the seventh request for extension of time in this matter. The parties respectfully
 13 submit that the reasons set forth above constitute compelling reasons for the short extension. The
 14 parties do not anticipate any more significant writing discovery or document productions. The
 15 deadline to amend pleadings has passed and the parties are not requesting that deadline be
 16 reopened.

17 The following is a list of the current discovery deadlines and the parties' proposed
 18 extended deadlines:
